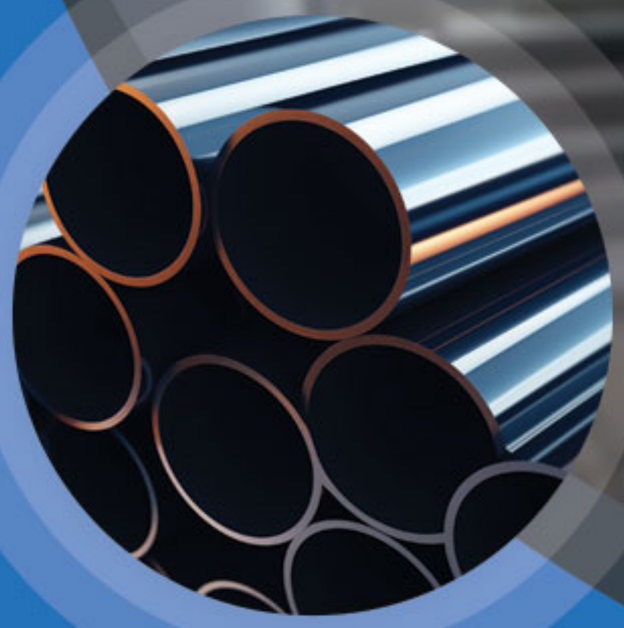
OMNI SERVICES

Cryogenics

Serving the Cryogenic Industry from Production to Application

Medical Device Cooling
Quantum Computing
Gas Liquification
Cryopreservation
Transportation

www.omniservices.com **1-800-229-2778**

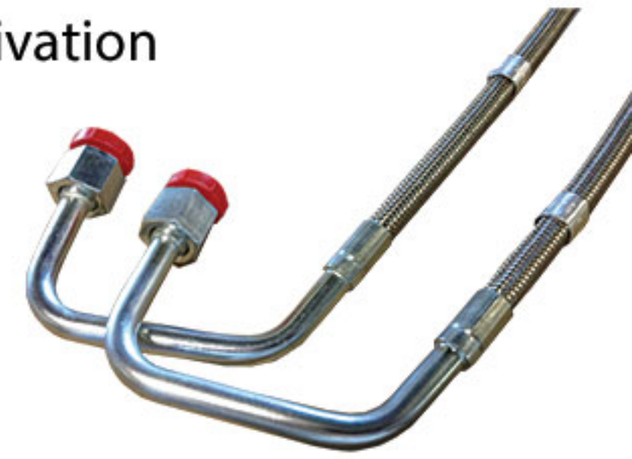


FORMED TUBE

- Sub assembly & weldments
- Copper and stainless steel

Valued Services

- Coupler cleaning & passivation
- Capping
- Tagging
- Engineering support
- Demand planning
- Sub assembly
- Testing & certification



COUPLERS

- Aeroquip 5400 series
- Caps
- O-rings,
- Weld on adapters
- Hardware (lock nuts)
- Polymer push to connect

ISO 9001
BUREAU VERITAS Certification
N°US004710-1

FLEXIBLE HOSE

Gas Lines

- **3/4" - 2"Flex Lines**

  ¾" and 1" x 10-45'
  1" x 66'

- **Whip Hose**

  1/4" x 24"
  1/4" x 36"

- Coupled Hose Assemblies
- Aeroquip adapter x Aeroquip adapter
- Aeroquip adapter x tube stubs
- Nylon Tubing

INSTRUMENTATION

Tube Fittings

- Duolok fittings (2 ferrule design)
- Unilok fittings (single ferrule design)
- Hi Pressure tube fittings - up to 20,000 wpsi

Valves

- Ball valves
- Check valves
- Block/bleed valves
- Solenoid valves

Gauges

- Pressure gauge
- Temperature gauge

Pressure Transmitter Switch
Pressure Monitoring
Thermometers
Thermocouples
